

# RSP4.0

CALL FOR  
ABSTRACT  
Deadline: October 27, 2017

International Conference on  
**Recovery-oriented Services and Policy Planning in Mental Health**  
Successful Stories, Sustainability and Challenges

**January 11-12, 2018 | Lecture Hall II, Centennial Campus, HKU**

International Conference on Recovery-oriented Services and Policy Planning in Mental Health (RSP 4.0) is one of the few conferences that specifically addresses recovery-oriented services and policy in the Asia Pacific region, tapping into the latest trends of concepts, research and service development while facilitating multilevel discussions, from individual interventions, cultural adaptations to policy implications.

## Keynote Speakers

### Professor Larry Davidson

Professor of Psychiatry and  
Director of Yale Program for  
Recovery and Community Health  
Yale School of Medicine  
Yale University

### Professor Mike Slade

Professor of Mental Health Recovery  
and Social Inclusion  
Faculty of Medicine & Health Sciences  
University of Nottingham

## Call for Abstracts

Scholars and practitioners are invited to submit abstracts for poster presentation on themes pertinent to mental health recovery and policy. They can focus on research or practice wisdom covering the following areas:

1. Recovery approach as a form of behavioural health intervention
2. Recovery-oriented policy or transformation of workplace culture: success, sustainability and challenges
3. Cross-cultural application of the recovery approach

Early Bird Registration Deadline: **November 17, 2017**
